

## **INVITATION TO INTERESTED PARTIES**

**Orestiada, 13/11/2023**

The Research and Development Company of Northern Evros SA, in the framework of the QUALFARM project, which is co-funded by the programme Greece - Bulgaria 2014-2020, is organizing a Bazaar / "Market" of producers / craftsmen on Sunday 19/11/2023 at 10:30 at the Central Square of Orestiada 14-28 Vas. Konstantinou, Orestiada 682 00.

Visitors will have the opportunity to "get to know" the handicraft products of the local producers of the region, as well as to learn details about the production process of handicraft products by the craftsmen themselves and will have the opportunity to buy their products.

The action aims to highlight both the producers (without restrictions) and the importance of promoting and supporting cottage industry as a factor in boosting local incomes and, by extension, the local and cross-border economy.

The personal data will not be made public, while the interested parties will be given the opportunity to exercise, without any time limitation, the right of information, or access, or rectification, or erasure, or opposition, or restriction of processing, or to withdraw their interest.

**Yours sincerely,**

**The President of the North Evros Research and Development  
Company**

**Ioannis Peristerakis**
