INVITATION

TO INTERESTED PARTIES

Orestiada, 05/07/2023

The Research and Development Company of Northern Evros S.A., in the framework of the QUALFARM project, which is co-funded by the programme Greece - Bulgaria 2014-2020, is organizing an awareness seminar for potential ecotechists, ecotourists and those interested in the agricultural sector, aiming at the development and promotion of cottage industry. The seminar will take place on Saturday 15/07/2023 at 18:30 at the Municipality of Orestiada, 9-11 Vasileos Konstantinou Avenue.

Participants will have the opportunity to learn about cottage industry issues, such as sources of funding, the reasons to choose to engage in cottage industry and the steps to follow. At the awareness raising seminar, speakers will be:

- Georgios Petresis, General Manager of the Research and Development Company of Northern Evros, Agronomist and Coordinator of the Qualfarm project.

- Leonidas Skkeraletopoulos, Light Hub Manager, Evros Chamber of Commerce and Industry, Director of Research and Development, General Manager, Qualfarm Research Institute, Greece, Director of the Research and Development Department of the Research Institute of Agricultural Research and Development of the Evros Chamber of Commerce and Industry.

- Angelos Theodosiou, Agronomist, Peira Project Team Leader at Kavala Development Corporation

The action is expected to contribute to the further development and promotion of cottage industry.

You can also watch the event via the Zoom platform at the following link:
